### INSTRUCTIONS FOR NEW REGISTRATION OF FOAL/HORSE

---

#### Required Forms

To register a new foal/horse, you will need to submit the following forms to the Shire Horse Society Australia Registrar:

1. New Registration of Foal/Horse
2. Stallion Service Certificate
3. Certificate of Identification

**Note:** If you need to have a DNA Parentage test performed (see Rules of Registration on our website), please include this information/sample with the above forms.

All horses will need to be microchipped prior to registration.

Upon successful registration, you will be sent a Certificate of Registration.

It is not necessary to be a member of the Shire Horse Society Australia Inc (SHSA) or other Shire Horse Society in order to register and have an entry in the Australian Shire Horse Stud Book.

---

#### General Instructions

Please ensure that the full date of birth is given for your animal.

All sections of all forms must be completed and if you are not the breeder, check with the Society that the dam has been transferred into the ownership of the breeder.

All details of the Certificate of Identification must be fully completed, and the written description and the markings diagrams must agree.

The mare owner's copy of the Stallion Service Certificate should accompany the New Registration Forms. The name of each and every stallion serving a mare during a service season must be declared on the Stallion Service Certificate as the possible sire. DNA testing will then be carried out.

### **Registered Prefix**

Every animal must have a registered prefix. If new breeders do not already have a prefix, please use the Prefix Application form available from the SHSA web site at [www.shirehorsesociety.com.au](http://www.shirehorsesociety.com.au). The purpose of the Prefix Application is to ensure that no-one is already using your choice of prefix. There is a once-only charge to register a prefix, which is then registered on your behalf. Duplication of names or numerical suffixes are not allowed.

---

### **Prescribed Fee**

Please refer to the fee schedule.

---

### **Form Submission**

Upon completion and signature by the appropriate individuals as outlined within the attached forms, the forms should be copied for your own records, and the originals sent to:
